BUILD BOLDLY.

Help Build the Future of Christian Education in Monroe County.

Monroe County Christian School is at a turning point. In just six years, we've grown from 9 to over 76 students—a 700% increase that reflects God's blessing and a strong foundation. But now, our growing student body is outgrowing the space we have—making expansion the next essential step.

The Build Boldly campaign is our next step, an ambitious \$20 Million investment to create a permanent, purpose-built school where students can thrive academically, spiritually, and socially for years to come.

Parents today need to have choice, especially now. Providing this building, providing for the teachers, will allow parents in Monroe County in the years ahead, no matter what happens in the public school, to have a Christian school option.

ABOUT MCCS

Monroe County Christian School was born from prayer meetings in early 2017, when a group of community members recognized the need for an evangelical Christian school in Monroe County. MCCS began its first school year on August 22, 2018 with just 9 students, 3 grades, and 2 teachers who shared a vision for Christ-centered education.

What started as a step of faith has grown into a thriving, mission-driven school bearing lasting fruit for God's kingdom. **We provide an excellent Christian education at an economical cost—under \$7,200 per child—with an annual tuition of just \$4,500, the lowest for private education in the St. Louis area.**

Now, with **enrollment rising rapidly (31% yearly average)**, MCCS is outgrowing its current facility—making expansion not just a goal, but a vital next step in our mission.

OUR GOALS

01 Foster Christ-Centered Learning

We seek to develop young adults with a lifelong love for their Lord and a deep desire to learn about His word and His world as they grow in faith and impact His kingdom.

02 Raise \$20 Million for the Future of MCCS

We aim to raise \$20 Million to fund construction of a new K-12 facility and launch a \$1 million endowment to ensure MCCS remains strong, affordable, and Christ-centered for years to come.

03 Strengthen Our K-12 Program

With a full K-12 program launching in the '25-'26 school year, we're focused on strengthening curriculum, deepening discipleship, and supporting students at every level for long-term success.

04 Expand Programs & Activities

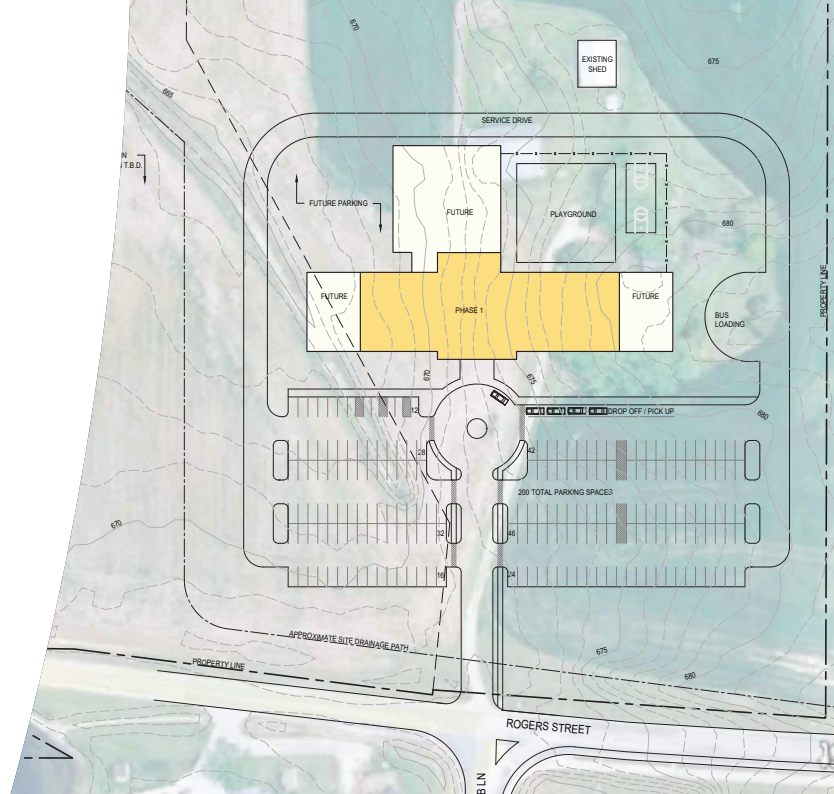

Introduce new offerings like Robotics, Chess, Athletics, Archery, Bowling, and expanded music programs, both vocal and instrumental.

DREAM BOLDLY

This \$20 Million campaign is about more than expanding a campus. Each step moves us closer to a space where students can grow in both faith and knowledge for generations to come.

Steps We've Taken Towards our Goals

- Secured 21 acres on the north side of Waterloo—an ideal location easily accessible from Route 3 and situated along the major north–south corridor of Rogers Street.
- Planned out a 40,605 square foot purpose-built K-12 facility consisting of 22 classrooms which include an art room, a science lab, a band room, a discovery room, a library, a cafeteria, breakout rooms, a multi-purpose gym & stage area, and 5 office spaces.
- Assembled a trusted team of architects, engineers, marketing professionals, and community leaders to help bring this vision to life.

PARTNER WITH US

The Build Boldly campaign is our call to raise \$20 Million to build a permanent home for Christ-centered education and establish a foundation for long-term growth. Your partnership helps make that vision a reality.
