BUILD BOLDLY.

Help Build the Future of Christian Education in Monroe County.

Monroe County Christian School is at a turning point. In just eight years, we've grown from 9 to over 83 students – a 700% increase that reflects God's blessing and a strong demand for Christian education in the area. That growth is a blessing, but it also brings a clear need: we've outgrown our space, and it's time to prepare for the future.

The Build Boldly campaign is our next step, an ambitious \$20 Million investment to create a permanent, purpose-built school where students can thrive academically, spiritually, and socially for years to come.
